LB 327, 498

SENATOR KEYES: That's right, and Senator Lamb, when we accepted the committee amendments that means a tract can be five acres instead of ten acres within the zoning of the city, doesn't it. Well the way the bill sets right now, I am one hundred percent in favor of it. I don't like anybody in town telling me that I can't divide my forty acres among my eight children at five acres each.

PRESIDENT: All right, now there is a motion on the desk. Read the motion.

CLERK: Mr. President, Senator Warner moves to indefinitely postpone LB 327.

PRESIDENT: All right. Okay. I am just wondering if the Speaker wanted to revert back to the Special Order. I think all of the parties...Speaker Marvel, do you wish to revert back now to the Special Order, or do you want to proceed on with General File? I see all of the introducers are now present. All right, we will proceed then with LB 498.

CLERK: Mr. President, LB 498 was offered by the Judiciary
